

KEMPES SOCCER

KEMPESOCCER

Sport Tours

KEMPESOCCER is a Sport Tour specialized company in the Latin-American area, with a high commitment towards customer satisfaction.

KEMPESOCCER was created in year 2005 by a group of professionals , under the general management of Mario Alberto Kempes.

Our mission is to give innovative and efficient responses in the sport's world, with the constant struggle of improving our offered services.

KEMPESOCCER designs and executes competition and educative events oriented to soccer academies , clubs and universities mainly in the high-performance field. In order to achieve this ,the company has a wide variety of programs that adjust to the client needs.

KEMPESOCCER develops its activity in South America, from Argentina to México , with local representatives in all of these countries.

The offered services can be summarized in the following:

-Sport Tours:

- Aerial and land transport.
- Lodging and meals.
- Competitions against first-division teams.
- Cultural and touristic visits.
- Professional seminars and conferences.
- Attendance to first-division matches.
